

Time for another...

## Cataloging Roundtable

Tuesday April 5, 2011

10am (9:30 coffee) - 12pm

*Brentwood Public Library*

*Please join us!*

The Cataloging Roundtable offers a chance for working catalogers and other technical services personnel to come together and discuss issues they encounter in their day-to-day workflow.

Are MARC 008's getting you down?

Are you in a quandary about how to handle graphic novels?

What about foreign language materials?

Our supportive group meets three times a year to help you out.

Come join us.

Send your questions in advance and we'll put them on the agenda.
