

# LIBRARY LEGISLATION DAY 2008

*Tuesday, March 11, 2008*

KEEP THE LIBRARY FUNDING MOMENTUM GOING!  
WE STILL HAVE GAPS TO CLOSE AND CATCHING UP TO DO.

## WE NEED TO:

- MAKE PERMANENT \$8 million in supplemental system funding
- INCREASE book aid and library materials aid for public and school libraries
- COORDINATE collection development aid for academic libraries
- CLOSE THE GAP created by inflation and years of flat budgets by asking for additional systems operating funding
