

MOSAIC

Multicultural Outreach Services
And Information Committee

A Division of the Suffolk County Library Association RASD

Come meet

Dr. Annelies Z. Kamran
President and Founder of
GeoLyceum

at the next **MOSAIC** meeting
Tuesday, January 15, 2018
9:30am-12:00pm

Suffolk Cooperative Library System

Dr. Kamran has taught at Queens College/CUNY, Hofstra University, Dowling College, and currently teaches international relations at St. Joseph's College. She has developed a series of in-depth country studies programs for public libraries entitled ***Places in the News***. These programs give an opportunity to comprehend what is going on today's headline news and provides an opportunity for patrons in our community to take part in thoughtful conversations. Dr. Kamran will discuss how she runs this series as well as, new projects she has in development for Eastern Suffolk BOCES on cultural competency and understanding our various immigrant communities on Long Island.

All are welcome to attend
