And Information Committee

A Division of the Suffolk County Library Association RASD

Join us for MOSAIC's  
**VIRTUAL BREAKFAST**  
Online Resources for English Language  
Learners & Literacy Tutors

**Tuesday, June 15, 2021 - 10am-11am**

Due to Covid-19, English classes, citizenship classes, and literacy tutoring had to transition to virtual platforms. While this was a huge challenge at the start, we discovered many great resources that allowed us to keep offering literacy programs and also enabled English Language Learners to learn on the go. Join us as we highlight free online resources to help with virtual English Language instruction. This presentation is helpful for librarians assisting English Language Learners at the reference desk as well as those supporting literacy tutors and teachers at the library.

The first 20 RASD members to register will receive a \$5 Digital Dunkin Donuts gift card.
