ANNUAL MEETING SPEAKER: MAXINE BLEIWEIS

Risky Behavior in a Public Library, or, How Saying "Yes" Mostly Turned Out Okay

Thursday, December 9, 10:00am-11:00am
SCLS Auditorium AND on Zoom. Click [HERE](#) to register for attending in-person or [HERE](#) for Zoom.

Join us for our annual meeting on December 9, 2021 as we hear from our guest speaker, Maxine Bleiweis, and welcome the 2022 CATS Board. All are welcome. Coffee and breakfast will be provided.

Maxine Bleiweis had no business becoming a public librarian. She was a contrarian and shuddered at keeping things in order. Be inspired as you hear how she turned her assets into triumphs (peppered with failures) as she directed libraries in Connecticut and, to her surprise, was awarded ALA's Charlie Robinson Award for Innovative Leadership.

TECHNOLOGY INFORMATION FORUM

The Technology Information Forum (TIF) is a committee of the Computer and Technical Services Division of Suffolk County Library Association. The purpose of the Committee is to serve as a forum for discussion of all issues related to computers and technology in libraries. All are welcome to attend.

Meeting registration information is emailed each month to the SCLA-Members listserv and CEU credits can be earned for attendance. Meeting information can also be found by following the TIF Facebook page.
