

Fear Factor Competition - 20 competitors

Round 1 – Cool Critter Collection

Fill a kiddie pool with ice and water. Drop in fake bugs, spiders and mice. Each participant has 30 seconds to get as many critters out of the pool as possible using only their feet. Each critter is worth 5 points.

SUPPLIES NEEDED: Kiddie Pool (or big buckets), cold water, ice, fake bugs & rodents

Round 2 – Poop Prize

Fill 5 pans with kitty litter, unwrapped tootsie rolls and hide an equal number of crystal beads in the litter (only use a few beads in each pan). Add vinegar for a pungent odor. Each crystal is worth 5 points. 4 kids search each pan at the same time using only ONE hand (I had the kids raise the hand they write with at the beginning of this round and told them they had to use the other hand). Collect as many crystal beads as you can in 30 seconds. Have plastic cups for the kids to put their crystals so they don't roll off the table.

SUPPLIES NEEDED: 5 large disposable pans, kitty litter, tootsie rolls, cups, crystal beads, vinegar

Round 3 – Bubble Trouble Diaper Doodie

Dirty Diaper: Diaper filled with yellow water, chocolate covered raisins, chocolate pudding and a hidden piece of bubble gum (unwrapped). Players must find the piece of bubble gum and blow a bubble within two minutes to earn 10 points. NO HANDS ALLOWED. (Do 4 rounds of 5 kids)

SUPPLIES NEEDED: 20 Diapers, Chocolate pudding, Chewing gum, chocolate covered raisins, yellow food dye, water.

Round 4 – Rotten Egg Race

Each kid is given one raw egg. Each kid gets on his/her knees and puts their arms behind their back. They can only roll the egg with their nose. Each person who passes the finish line without breaking the egg within 3 minutes will receive 10 points. Note: make the distance of the race no more than 10 feet.

SUPPLIES NEEDED: Two dozen eggs, finish line tape

(If needed) Tie Breaker Round - Snot Snack

Each participant is given a bowl of snot (green baby food). The first to empty the bowl first wins. Of course, no hands allowed.

SUPPLIES NEEDED: 20 jars of green baby food, plastic bowls.

OTHER SUPPLIES NEEDED: Stopwatch, paper towels, baby wipes, tables, scorecard, Fear Factor signs tablecloths, yellow & black balloons, name tags, Yellow T-shirts (for facilitators and participants if you like), cooler to keep diapers in.
