

Teambuilding Our Way to Success

A black and white photograph of Henry Ford. He is wearing a dark suit, a white shirt, a dark tie, and a bowler hat. He is standing next to a vintage car, with his hand near the steering wheel. In the background, several other people are visible, though they are out of focus. The overall tone is professional and historical.

**“COMING TOGETHER IS A BEGINNING; KEEPING
TOGETHER IS PROGRESS; WORKING TOGETHER
IS SUCCESS.”**

HENRY FORD

WEP, WPA, and WPA2: Wi-Fi Security Through the Ages

- **Understanding...**

- Since the late 1990s, Wi-Fi security algorithms have undergone multiple upgrades with outright depreciation of older algorithms and significant revision to newer algorithms.
- **Wired Equivalent Privacy (WEP)**
- **Wi-Fi Protected Access (WPA)**
- **Wi-Fi Protected Access II (WPA2)**

Different Languages?

- Typical?

Let's Take a Look

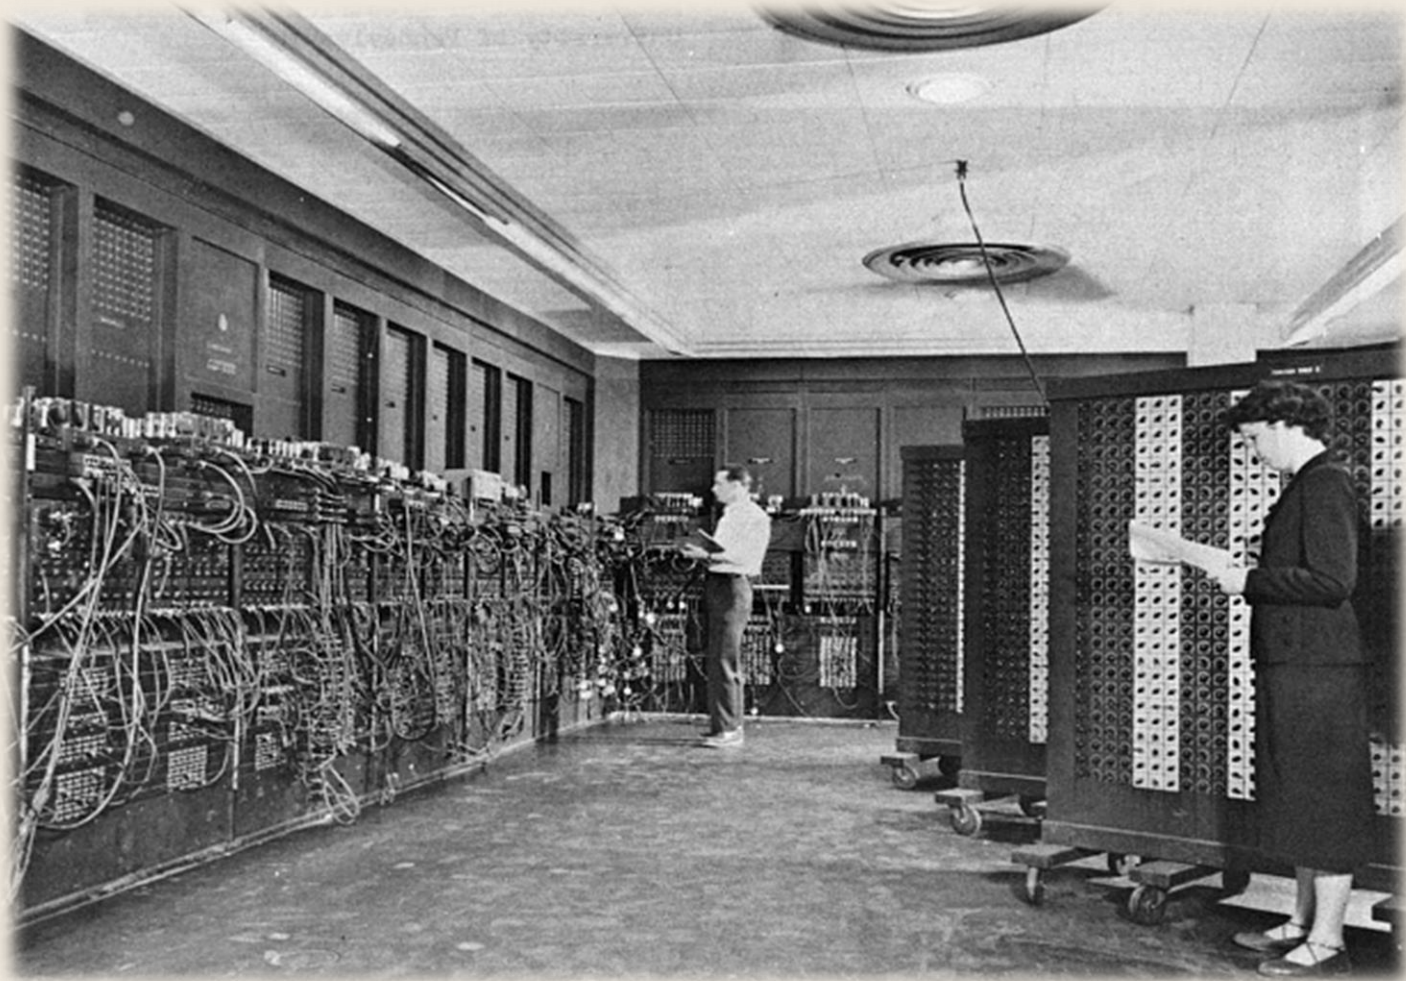

Who Are They?

- Technologist:
 - *a person who specializes in technology.*

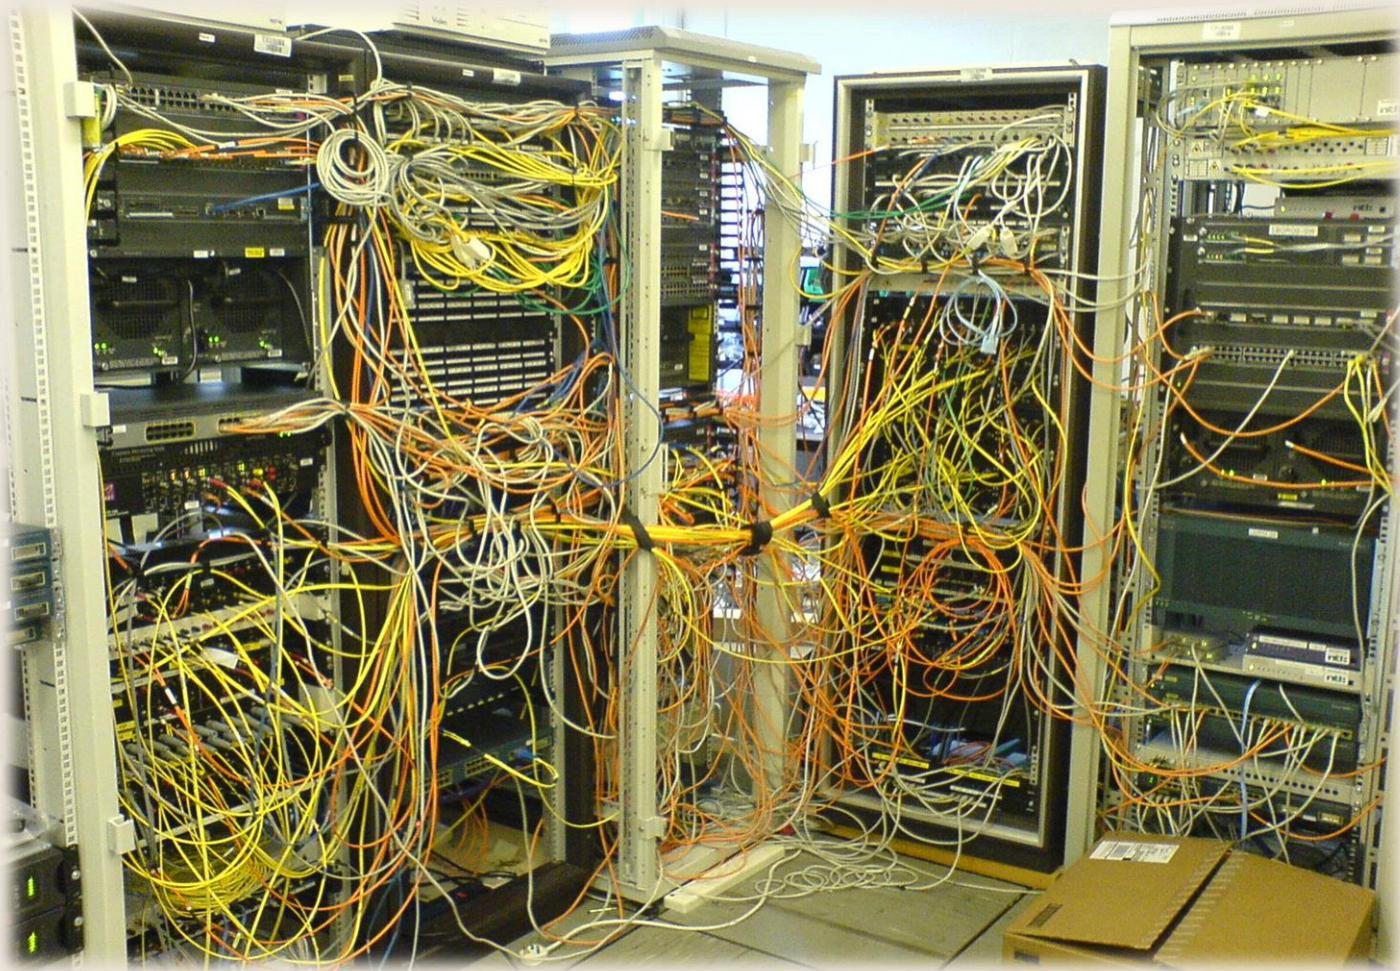

Technologists at Work

- Where they work

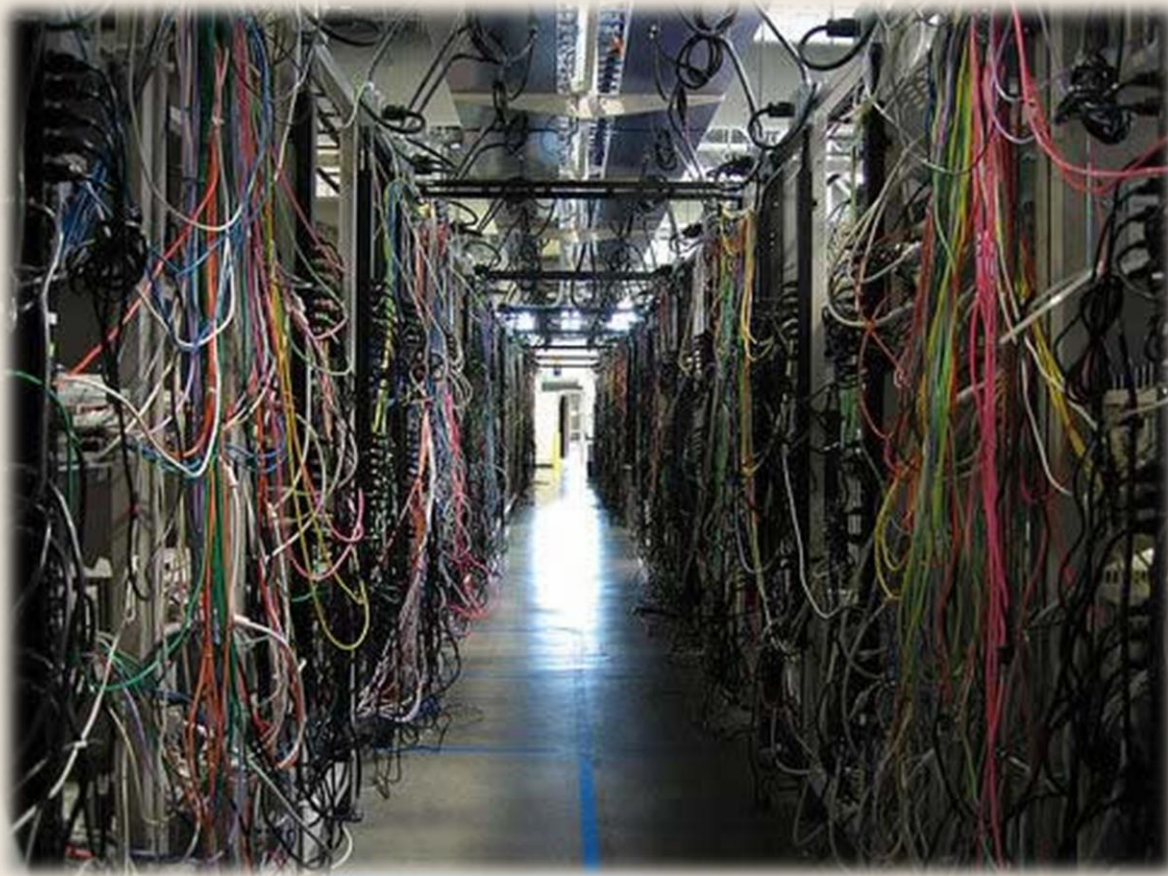

Technologists at Work

- Where they work

Technologists at Work

- Where they work

Technologists at Work

- Where they work

Technologists at Work

- What they work with

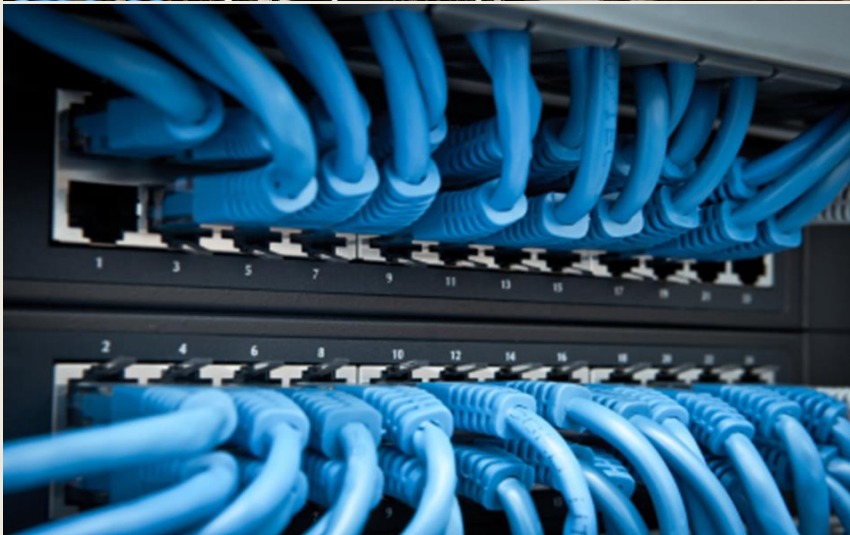

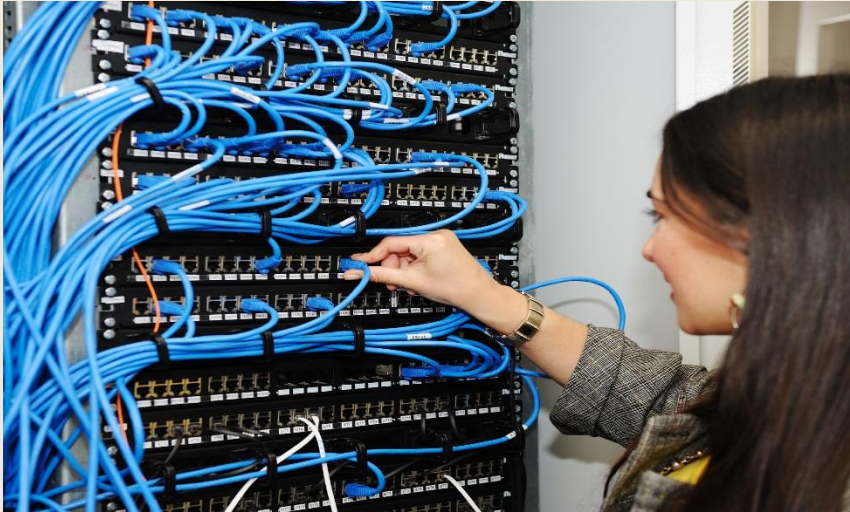

Technologists at Work

- What they work with

Technologists at Work

- What they work with

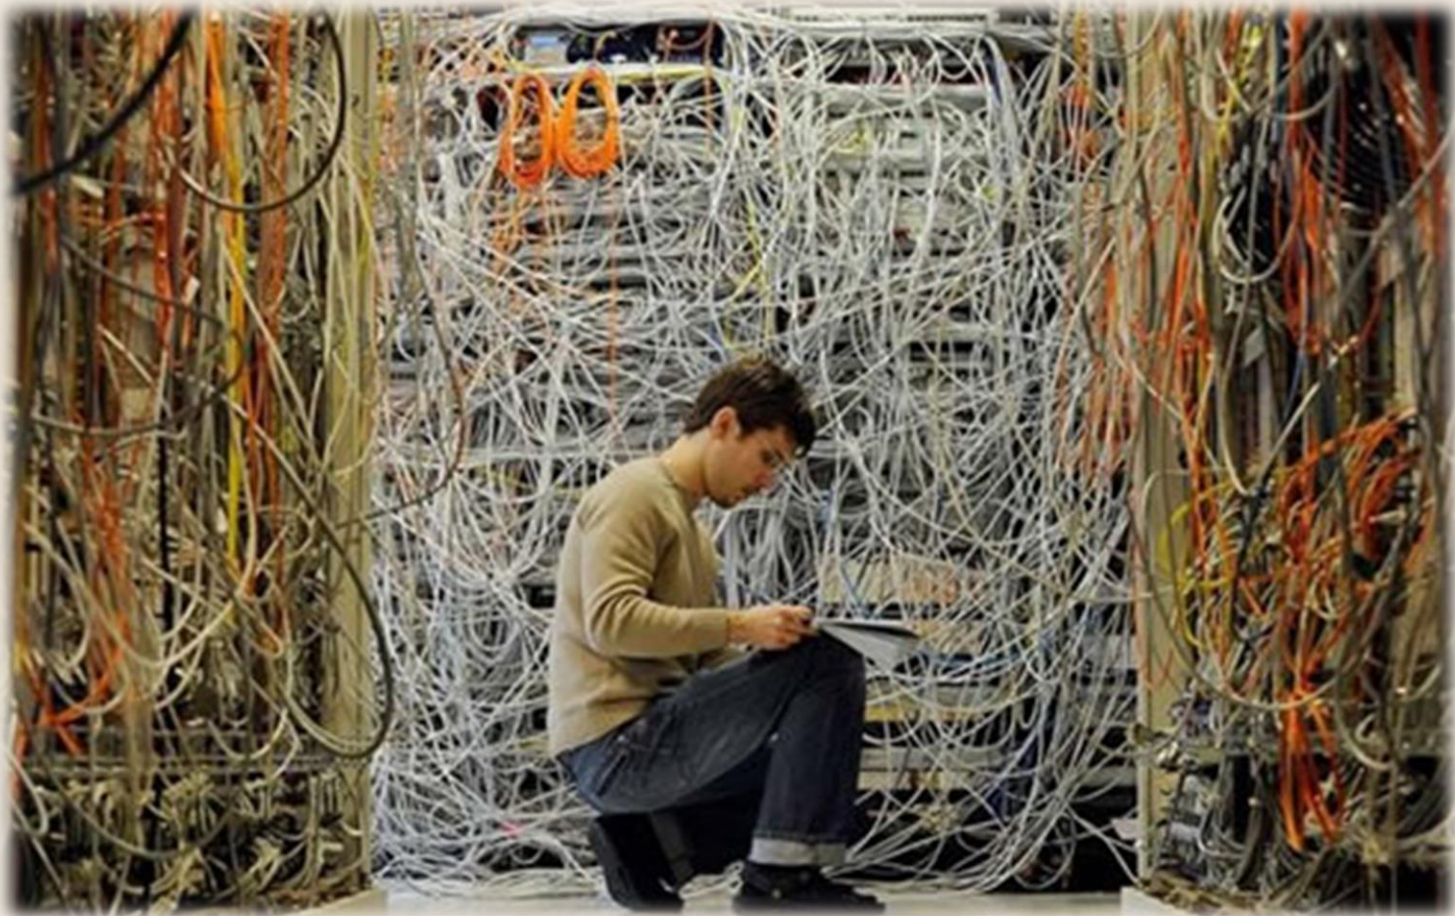

Technologists at Work

- What busy looks like

Technologists at Work

- What busy looks like

Technologists at Work

- How they relax

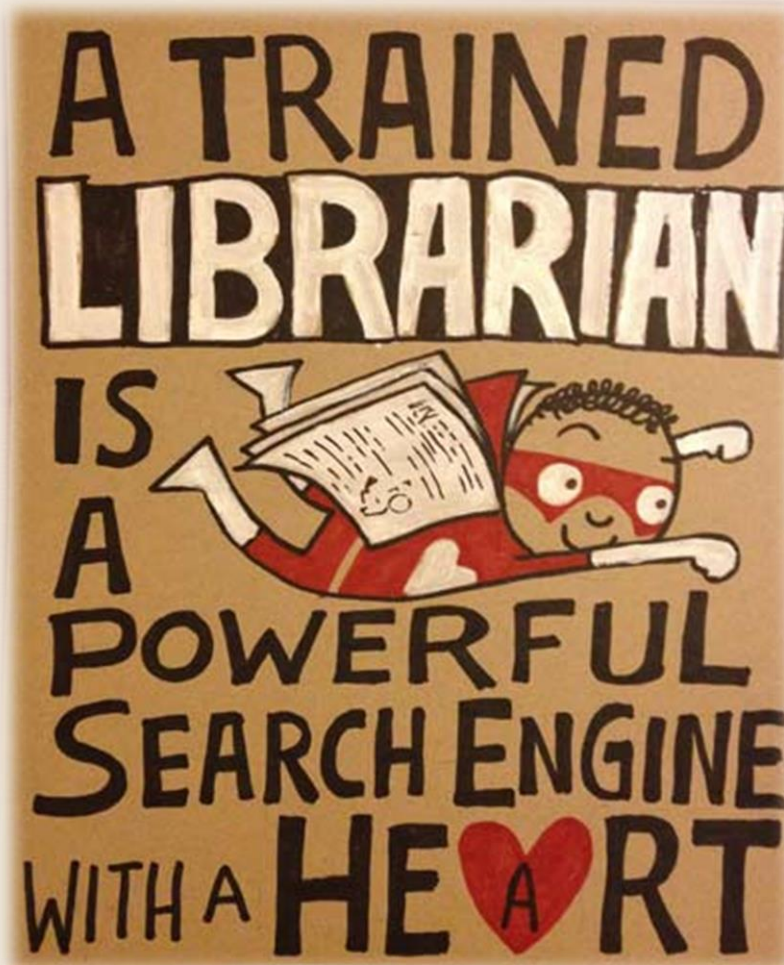

Technologists at Work

- What a conference looks like

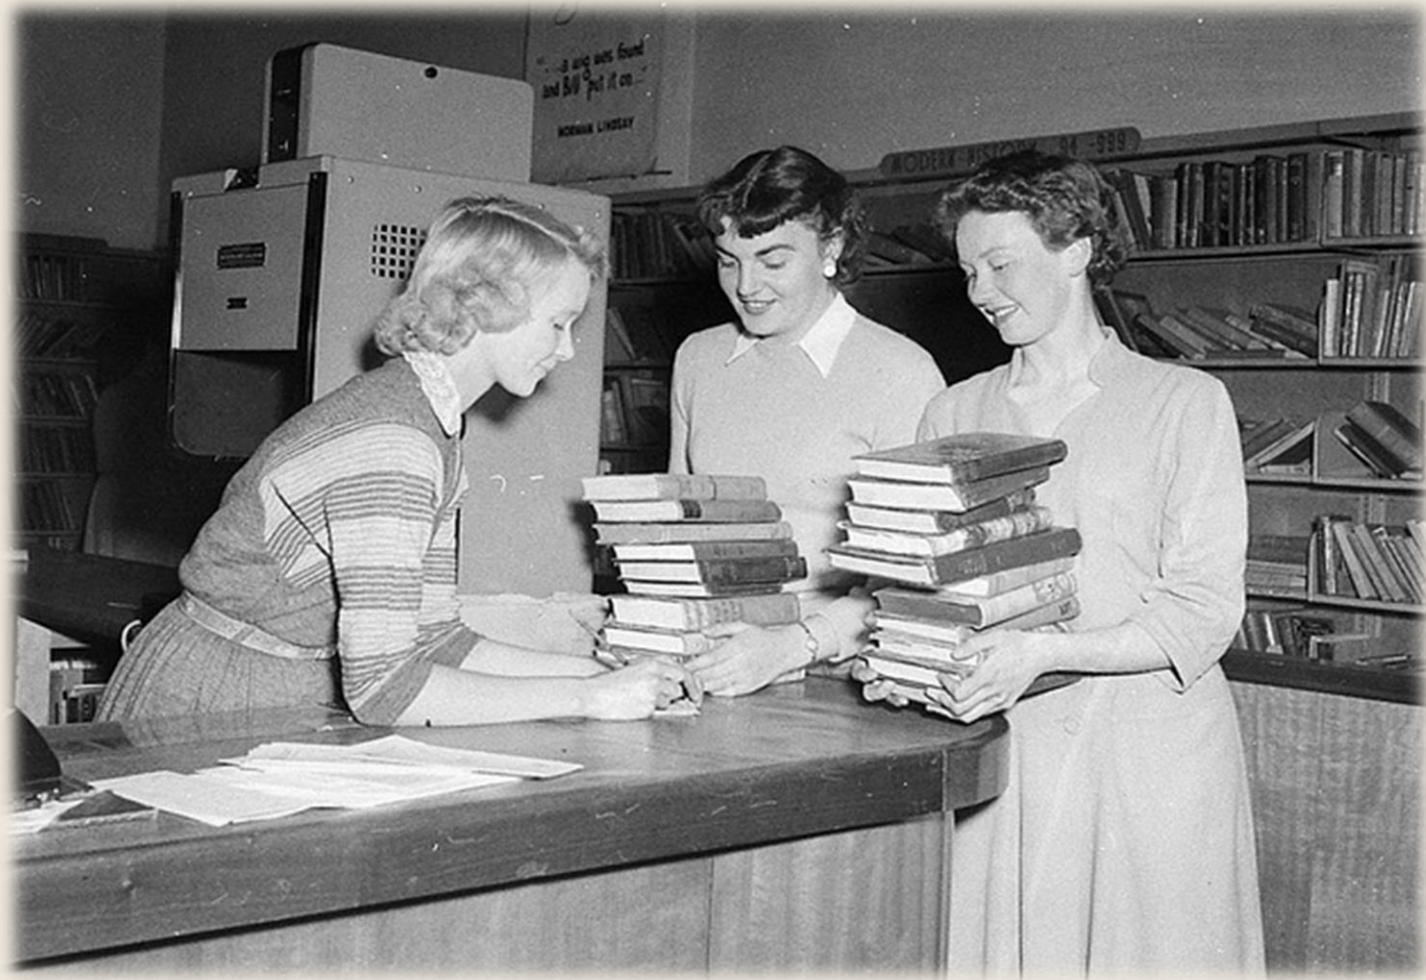

Who Are They?

- **Librarians:**
 - a person trained in library science and **engaged** in library service.

Librarians at Work

- Where they work

Librarians at Work

- Where they work

Librarians at Work

- Where they work

Librarians at Work

- Where they work

Librarians at Work

- How they relax

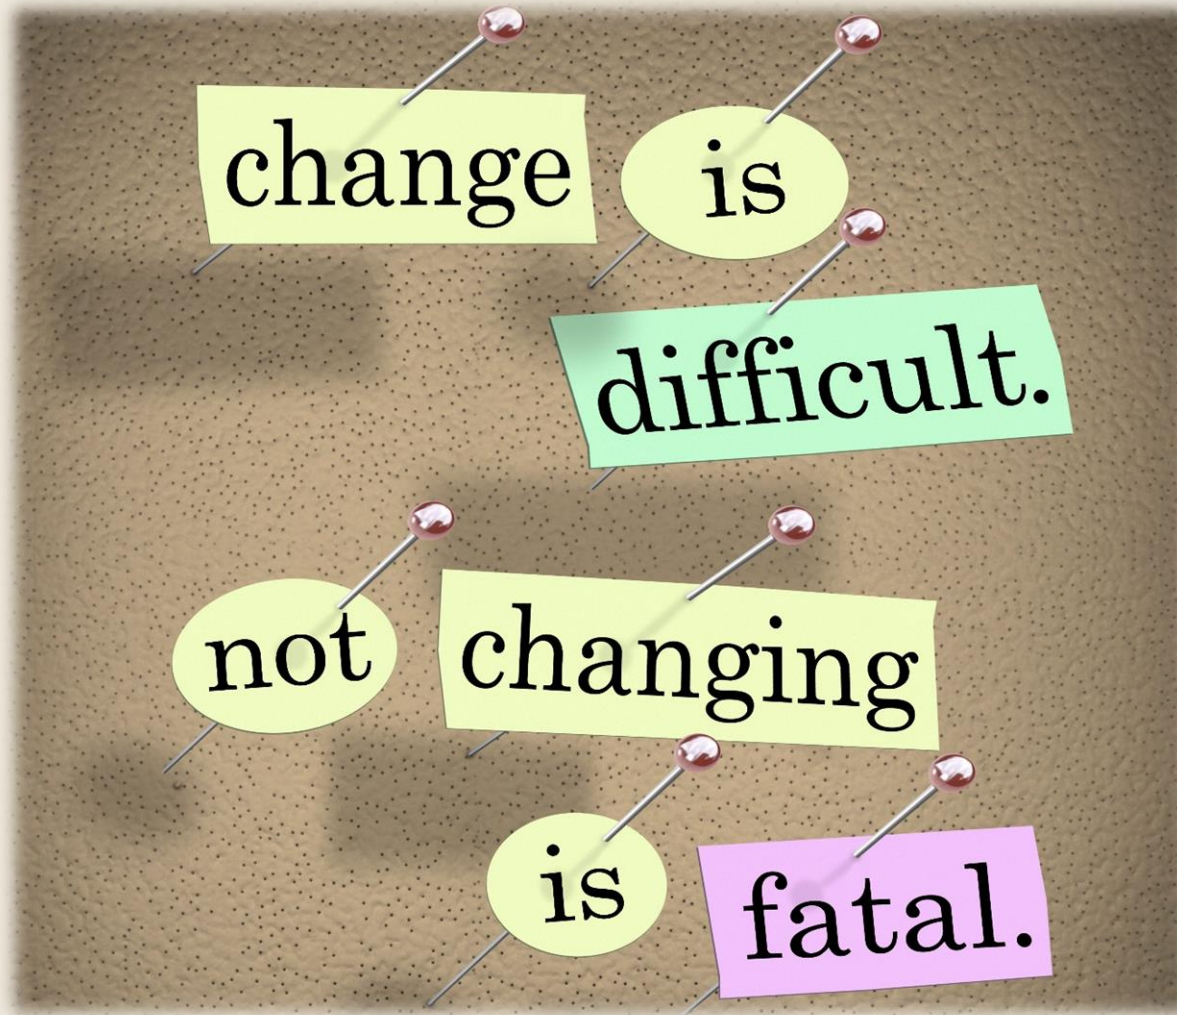

Our Common Issue

20 years later and all of these things fit in your pocket.

Our Common Issue

- Understanding

Our Common Issue

- Change has happened

Our Common Issue

- Technology can be frustrating

Our Common Issue

- Technology can be frustrating

Our Common Issue

- Listening and respect

“Most people
do not listen
with the intent
to understand;
they listen
with the intent
to reply.”

—Stephen R. Covey

VALUES
.COM

Our Current State

- Technologists need to work directly with people

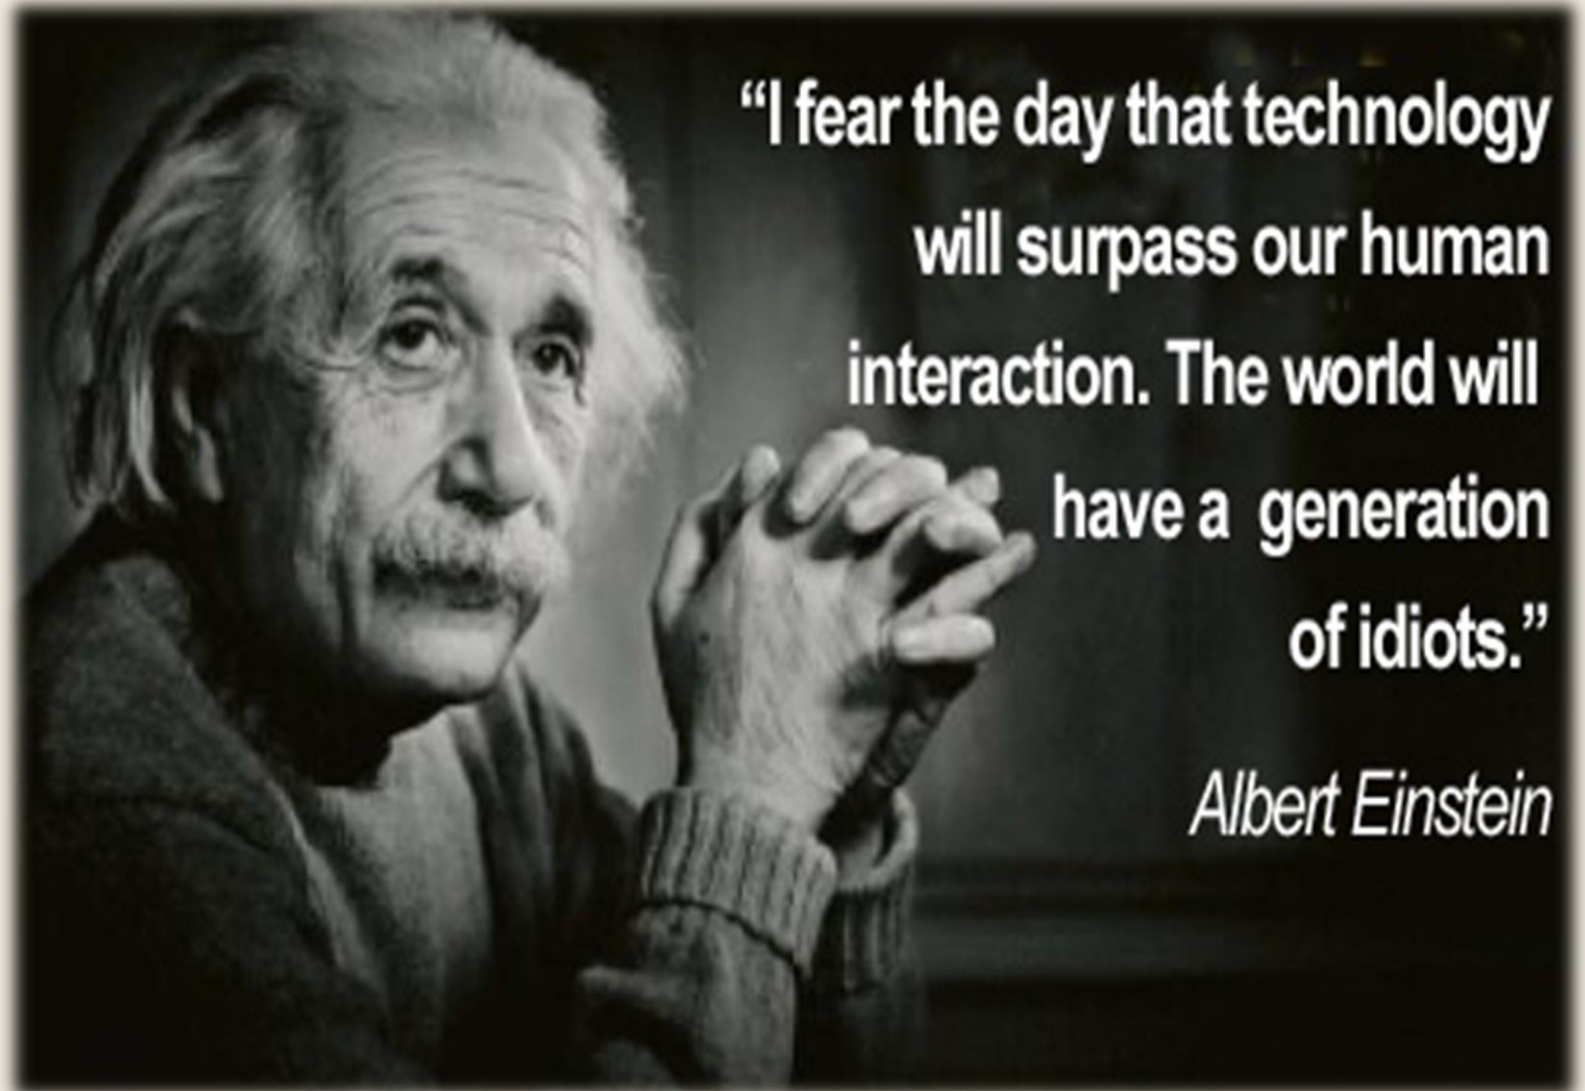

Our Common Issue

- Librarians need to work directly with technology

The Future?

**"I fear the day that technology
will surpass our human
interaction. The world will
have a generation
of idiots."**

Albert Einstein

The Future!

THE FUTURE IS ~~TECHNOLOGY~~
~~PEOPLE~~ PEOPLE MAKING
WISE DECISIONS ABOUT
TECHNOLOGY.

How do we get there?

We **NEED** Leaders

How do we get *there*?

Team Builders....

- Recognize the skillset and talents of themselves and their colleagues. Bring in folks from other departments
- Display confidence and take responsibility for their decisions (right or wrong)
- Build an external network of people
- Are ready to take an idea or act of leadership to supervisor

Robert Johnson

Manager of Information and
Technology Services
