

# LIBRARY ISLAND: POLITICS, PLAY, AND THE POWER OF SURPRISE

If we'd known what 2018 would be like, what should we have done in 2013? What does that tell us about how we should plan for the next five years? What's the biggest challenge for our communities today? What's the biggest opportunity? How should public libraries respond?

**Annual Meeting**  
December 12th, 2018  
9:30 a.m. - 12:00 p.m.  
SCLS

Join international speaker Dr. Matt Finch for a journey to the mysterious Library Island, where we explore scenarios, storytelling, and new ways to prepare for the future. This participatory session offers a chance to reflect on our work, identify challenges, find bright new ideas, and work out how to make them happen.

## About Matt Finch

Matt Finch creates strategies, stories, media and events to help people learn, play, change, and explore. From examining the future of patient-centered hospital care to wrangling zombies in rural Australia, his specialty is helping organizations and communities, large or small, to create new and effective activities, programs, policies, and offerings.
