As we leave those winter blues behind and look forward to the spring and summer months ahead, RASD has some exciting events coming up that you don't want to miss.

**The Electronic Resources Com-mittee had its first 2011 meet-ing at the Brentwood Pub-lic Library. Topics co-vered were the use of QR codes, log-ging into Suffolk digital re-sources, the new location feature com-ing from SCLS for patrons to find their home library, and of course, e-Books. The next meeting is scheduled for June 15, location to be determined.**

The Long Island Library Conference on Thursday May 5<sup>th</sup> will play host to the joint RASD Program *Graphic Novels all Grown Up* scheduled to begin at 1:25 p.m. We hope you will join us for this most informative program.

Health Concerns Committee is having a breakfast and program on Wednesday, October 19<sup>th</sup> at SCLS. The topic to be discussed will be substance addiction. Please stop in for a delicious breakfast and then listen to our guest speaker talk about this very serious topic.

### RASD PR & Marketing

The PR & Marketing Committee last met on March 17<sup>th</sup> at SCLS to plan for the year. Sixteen people were in attendance.

We discussed many things, such as; QR codes, writing for the local newspaper or Patch.com, large annual programs, like concerts or festivals, poster stands, in-house marketing committees, book club parties, creating buttons for staff to wear during marketing campaigns, digital frames, photo release forms, and statements, and E-Books . We do not yet have a date for our next meeting.

We invite you to join us for our Lunch & Learn at the Long Island Library Conference on May 5<sup>th</sup>. It will be a panel discussion on "The Best Practices for the Use of Social Media as a Marketing Tool". If you would like to join the committee, please contact Jo-Ann Carhart at East Islip Public Library, to be added to the committee's Listserv, and you will then receive information about upcoming meetings.

### **Coming Soon**

**Suffolk Libraries Career and Resource Exchange (C.A.R.E.), a committee of RASD, is pleased to announce that it is developing a Career Web Page especially for Librarians. It will be located on the SCLA page ([scla.net](http://scla.net)), under RASD committees. Our goal is to determine different ways that we, as librarians, can better serve the job seeker.**

**Feedback is important and we do hope that you will share with us helpful career services and resources available at your Library. To share: please e-mail me at [lsknel@gmail.com](mailto:lsknel@gmail.com)**

### Message from the Secretary

Happy Spring! It has been a thrilling new adventure as the Secretary for Reference and Adult Services Division. As we look ahead to the Long Island Library Conference, I'm anticipating that it will be just as successful as last year. Finally, we are currently advocating how libraries reach out and unite our communities, here is a program worth looking at:  
Genealogy Class: How to Locate Lost Family and Friends

Have you lost touch with someone? This hands on class will show you how to track down missing friends using various online databases. Only basic computer skills are needed. Please join us on Tuesday, April 19 at 7pm and get reunited with old friends. Registration is ongoing. (LWC1083) From the Longwood Public Library Newsletter

### Media

**The Media Librarians group is committed to helping libraries provide the best available media, and technology to their patrons. The group meets quarterly, at SCLS. Topics of discussion have included VS. retail, Audio CD's and Cassette pricing and usage, Live-Brary book and audio downloads, etc. This group is not just open to librarians. People who work in circulation and technical services are more than welcome to attend meetings.
