Sal Filosa made a motion to approve the October 2022 minutes. The motion was seconded by Azuree Agnello and Wendy Bennett

**President's Report:** Sal Filosa reported:

• The SCLA dinner went well! Our raffle basket was well received

- SCLA has been moving very quickly with all of the necessary aspects of an association that need to be done in the background
  - The constitution was revised and adopted
  - The handbook of committee charges was revised and adopted
  - A membership and event registration platform will be tested on this month, November

- Rebecca is in the process of obtaining our Tax Exempt number (SCLA does have the EIN, which makes the process SO much easier)
- Eventbrite was set up through SCLA and linked to their bank accounts specifically so RASD may use it as a registration platform for our upcoming luncheon (expect registration to go live this week)
- After much discussion among the SCLA executive board and with information from one-on-one meetings with the NCLA board, the remaining balance from the 2020 conference, for which we collected funds from the sponsors and held, was transferred to NCLA
  - Prior to SCLA being part of NYLA, the funds were handled by NCLA one year and SCLA the other. This year, it is the responsibility of NCLA
- LI LIBRARY CONFERENCE: The Conference is on and planning is underway. The date is Thursday, May 11th 2023 at the Melville Marriott. Please consider programs that your committee may want to present at this event. RASD should have a nice showing here. Past programs accepted will have priority.
  - The Health Concerns Committee has a program that is being updated for this conference
  - Any other committees reached out to by the programs chair?
- The Emerging Technologies Committee has a lot of interest from the CATS division
  - The first meeting is tentatively being scheduled for mid-November to introduce members to the idea of this new committee and to gain some insight into what they're looking for and to see the interest

**Career & Business Reference Services Committee (C&B):** Nicole Berroyer and Alex Blend reported: The next meeting will be Tuesday, November 15 at 3pm at Middle Country Public Library. There will be a presentation by the Suffolk County Department of Human Resources, Personnel and Civil Service about the benefits of working for the county and about the civil service process. This program will be open to the public, in addition to the Career & Business Reference Services Committee. If time permits, there will be a tour of the new Innovation Space.

**Emerging Technologies:** Nicole Rambo reported: We are still trying to parse out Emerging Tech Committee, trying to set up a meeting on November 15. This will be an informal meeting on Zoom and will be open to the public. There are several people from CATS interested. There will be more discussion with CATS moving forward into next year, since there is overlap between this committee and CATS. It is possible that it will be a joint venture between RASD and CATS, or just collaboration instead of partnering because the structures of the two organizations are different.

Health Concerns: Stephanie DiChiara and Karen Sonessa reported: We will be holding our annual Breakfast on Tuesday, November 8 at 9:30am in the SCLS auditorium. Patricia Ferrandino of Family Service League will be presenting on the topic "Substance Abuse and Suffolk County". All are invited to attend and 1 hour of professional development will be credited to attendees. The registration page can be found here: https://forms.gle/KHXNCz1PVTyeV2zU8

### **Outreach Committee:** Alicia Collumbell reported:

The next regular meeting of the Outreach Committee will be on Monday, December 12, 2022 at 10:00am via Zoom. I will be sharing the Zoom information and some changes to the Outreach page info with Wonda.

We received a couple of applications for the SLEOA, I am happy to report that many libraries are doing wonderful things with outreach this past year, so we will need to take a good look at the applications before making our selection. The deadline for applications is end of day today, Nov 1, 2022 . Therefore, selection will happen later this week and I will begin work on a certificate. In previous years, we have awarded a plaque as well, I will need to check into pricing on that before making a motion for funds. Thank you!

**PR & Marketing:** Jo-ann Carhart, Joan Cook and Jim Garvey reported: The PR & Marketing Committee presented the 2022 Suffolk Library Marketing Award (SLMA) at the SCLA Annual Meeting and Dinner on Thursday, October 20, 2022.
