

Editing Photos in Windows 10

Tuesday, November 17, 2:00-4:00PM, Online

In this hands-on class, students will learn how to edit a photo using a Window's editing program. This class will cover editing pictures, including cropping, resizing, red-eye removal and much more. Prerequisites: Computer Kindergarten and Computer 1st Grade or equivalent.

Online Registration: portal.suffolklibrarysystem.org/node/24827

I wish to attend the Support Staff Division Annual Membership Meeting for Editing Photos in Windows 10, on Tuesday, November 17, 2:00-4:00PM Online.
