

NCLA - HEALTH SERVICES COMMITTEE/LILRC PRESENT:

Activate, Collaborate, and Educate: Health Outreach and Programming in Your Community

Caring For Your Community

Speaker: Lydia N. Collins is the Consumer Health Coordinator for the National Network of Libraries of Medicine, Middle Atlantic Region (NNLM MAR)

Class Description: This presentation will provide an overview of ideas to conduct health outreach and create health programs for libraries. Participants will learn how to integrate resources from the National Library of Medicine (NLM) and other reputable agencies to introduce community members to NLM resources in fun and engaging ways.

Monday, October 23, 2017 at Farmingdale Public Library, 9:30am -12pm

\$5 for members of NCLA or LILRC, \$15 for nonmembers
