

JULY 2022

# SUFFOLK COUNTY LIBRARY ASSOCIATION

*A Regional Chapter of the New York Library Association*

*Carisse Mitchell, SCLA President*

Thank you everyone who has been supportive of SCLA's transition to becoming our own organization and moving towards a more self-sufficient and independent entity. One of SCLA's core beliefs is to be true to its members by being a fundamental resource for all members through continuing education, professional activities, and responding to the needs of our members. I recognize that this has been a year of transition but please know that the Board and I are doing everything we can to continue to provide services and resources to our members. We're happy to announce that as of July 2022 SCLA will be totally financially independent from NYLA.

However, this is still only a step forward in the process. For us to grow as a self-sufficient organization, we need to secure our foundation. Although this will be a long process the Division Presidents and the SCLA Executive Board have been striving to keep our members informed along the way. One of the ways we've been doing this is by implementing a new SCLA Listserv. Creating our own listserv has allowed Library staff to push out announcements, programs, job postings and more. We encourage all of you to share the listserv information with coworkers.

Please remember that membership dues will begin January 1st so please take advantage and enjoy a free membership for the last half of 2022. Anyone interested in SCLA membership, either renewing or joining can do so by following this [link](#) and signing up today!

It has been a trying year at times, but I'd like to thank everyone involved in the process of helping make SCLA its own organization and for being understanding and patient as we take our next steps. I encourage you all to spread the word to your colleagues in each of your libraries as we grow and flourish. Please feel free to reach out to me if you have any questions.

Best,

Carisse Mitchell

SCLA President

## Career & Business Reference Services Committee

The Career & Business Reference Services Committee held a virtual Financial Professionals Panel on Tuesday, May 17. The purpose of this panel was to present different program topics on financial literacy that might best appeal to librarians and that will have the largest impact on the patrons of each community. The main objective was to educate, as there is a severe lack of financial literacy and fair and unbiased education available to the public. Three financial professionals presented their own unique take on why it is important to empower yourself as an individual by sharpening your financial planning skills. Each professional showcased the different programs they can offer our patrons.

Please contact Nicole Berroyer at [nicole@connetquotlibrary.org](mailto:nicole@connetquotlibrary.org) or Alex Blend at [blendalex@mcplibrary.org](mailto:blendalex@mcplibrary.org) with any questions.

The Continuing Education Committee keeps a record of programs hosted by SCLA and its divisions. If you need a report of the programs you have attended you can request a report by emailing [sclshr@suffolknet.org](mailto:sclshr@suffolknet.org).

The report is dependent on receiving attendance sheets from the hosting group and may not be complete at the time of your request. Please remember to keep track of all programs you've attended, and simply use the report as a tool.

If you have ideas for future programming please email them to [sclshr@suffolknet.org](mailto:sclshr@suffolknet.org) for consideration.

## SCLA and SCLS Vendor Fair

On May 17, 2022 SCLA and SCLS held an in-person Vendor Fair and Networking Day. We had over 25 vendors attend, and over 75 people stop in. We had information tables set up by LILRC, CLASC, YASD, DASL, CATS, SSD, RASD and Lit Suffolk. We also had an amazing display of the Lending Library and SLED run by SCLS staff. A huge thank you to everyone who attended the event and especially those who bought donations in for the Angels of Long Island in Patchogue. (@angelsoflongisland ). We look forward to partnering with other organizations and SCLS in the future to create more networking opportunities for the Long Island Library community.
